

Arunside Primary School Sport Funding Planning and Evaluation Outline 2018-19

Self-review of 2018-19 PE and Sports Action Plan (what worked well last year, what will we change or seek to improve):

The profile of PE has increased within the school with many more pupils been given the opportunity to represent Arunside at interschool events. Most pupils show enthusiasm for the subject; felt pride when representing the school; have increased knowledge and skills; a range of sports and the increasing ability to help lead lessons and model good practice. To help ensure that the children get at least 30 minutes of physical activity within school we have play leaders, PE monitors, a selection of play equipment out that promotes exercise, stamina, agility, balance and coordination. We have also had an all-weather track installed over the summer. We promote the activities that children do out of school within the celebration assembly, showing medals, badges, certificates, trophies and belts achieved. Parents are informed of achievements and opportunities the children have had through our Website, Newsletter and twitter account.

Vision for the 2019-20 Primary PE and Sports Premium:

- Develop the use of the all-weather track
- Children will work with coaches over a longer period of time to embed the skills
- Dance teacher to work with some year groups as CPD for staff and excellent quality teaching for the children
- Improve and re-vamp the trim trail
- Continue to enter a variety of competitions
- More 'house' competitions
