Key Knowledge

How could Jesus perform miracles?	Jesus had a special ability to heal people. Christians believe Jesus is God in a human body so has the power of God and can do anything including healing people by performing miracles. Jesus is the incarnation of God.
The Blind Man (John 9: 1-12)	Jesus healed a beggar who had been blind from birth. The disciples thought that the man must have done something bad to be blind. But Jesus said, "This man has not done anything bad. He is blind so that God's work can be carried out." Jesus made some mud and rubbed it on the man's eyes. Then, he told him to wash in the pool of Siloam. When he did he was cured!
The story of the Paralyzed Man (Mark 2: 1-12)	There were so many people coming to be healed, that when four men arrived carrying their paralyzed friend, they couldn't get through the crowd to Jesus. They went up onto the roof and broke through the ceiling! Jesus was amazed and told the man that he was forgiven for everything he'd ever done wrong. He then said to the man, "I tell you, get up, take your blanket and go home." To everyone's amazement, the man jumped up, completely healed!
