

Arunside Announcements Week Commencing 10th March 2025

Parents evenings – There are a few places available on the MCAS app for the parents' evenings that are scheduled to take place on Monday 10th March (late session) and Tuesday 11th March (early session). Please note that as our teachers will be meeting with parents, there will be no teacher-led after school clubs on Tuesday 11th March 2025.

Strategies for supporting challenging behaviour – Does your child experience moments of heightened emotions? Are you looking to understand the cause of behaviour and support your child during these times. Please book yourself on to our small workshop which will be held at Arunside School on Wednesday 26th March from 2.00 – 3.00pm. Tea, coffee and biscuits will be served!

Eat Them to Defeat Them - Next week the children will be coming home with a resource pack from the 'Eat them to Defeat Them Campaign', a government initiative to promote the eating of vegetable of our young children. We will have an assembly and a focus at lunchtimes next week with stickers to promote eating and trying of their vegetables. Please find the parent information flyer below for more info on how you can get on board at home too!

Dear Parents/Guardians,

Looking for something exciting and educational for your child this Easter? **Give them a week they'll never forget!** 🚀

We're bringing a **Tech & STEM Camp** to **Arunside Primary** —a thrilling adventure packed with **hands-on experiments, high-tech gadgets, and mind-blowing inventions that you can take home with you.** Kids aged **5-11** will **build, code, and create** while exploring the world of **STEM** in the most fun way possible!

🎯 Why Parents & Kids LOVE Camp

- ✓ **Hands-on learning**—Kids don't just watch, they build, create, and take home their own projects!
- ✓ **Inspires creativity**—From coding to circuits, each day brings new challenges!
- ✓ **Boosts confidence**—Children gain problem-solving skills while having a blast!
- ✓ **Real-world STEM**—Kids discover how science & technology shape the world around them.

🔧 What Will They Get Up To?

This isn't just another camp—it's an adventure with **NEW 2025 activities!** 🌐 ⭐

- 🤖 Robot Lab – Build and program robots
- 🔧 Lego Engineering – Create moving machines
- 🎮 3D Creations - Use 3d Tech to make a 3d masterpiece!
- ⚡ Minecraft Redstone – Learn circuitry in a virtual world
- 🎬 Movie Making – Bring stories to life with tech!
- 🕶️ Laser Tag or Virtual Reality – Step into another world

Plus, kids get to build and **take-home incredible inventions** each day, like:

Ball batting Machine, Mechanical Shark, LightSlide Projector, Hydraulic Excavator, Space Rover
...AND SO MUCH MORE!

🌟 See the Fun for Yourself!
