

Arunside Announcements Week Commencing 5th May 2025

Sports Day – We are looking forward to welcoming you to our Sports Day on Tuesday 20th May. Timings are as follows:

KS2 - Morning (9.15-11.45) - Parents/carers to arrive at 9.10am

KS1 - Afternoon (1.15-3.15) - Parents to arrive at 1.10pm

The PTA will have refreshments on sale for visitors on the day.

Please also ensure your child has a named water bottle and sun hat with them, alongside their PE kit, that day.

Sun Safety – As above, please remember to apply protective sun lotion in the morning (**before school**), to wear sun hats when outdoors and bring a water bottle to stay hydrated.

Big Sing Choir - Spaces are still available for Years 4-6. Children attending this lunchtime club will be preparing for the 'KS2 Horsham Big Sing' which takes place with other local schools on Wednesday 18th June 9.30 - 11.30am at Greenway Academy, Horsham. The children will be walked to and from the event in school time for this event, more details to follow. The final session for this club will be Tuesday 17th June.

Aspire Ballet – There are still some spaces left on Fridays. See Flyer details below.

Easter Reading Challenge – It was a very close call but congratulations go to Buttercup Class!

National Walk to School Week 19th - 23rd May - Please encourage children to get involved.

SATs - On SATs week, Monday 12th – Thursday 15th May, the Year 6 children are invited into school for 8am to enjoy free breakfast with their friends. If possible, we ask children to bring a spoon, plastic bowl, plate and cup. They can leave this in school, all week, to use each morning. Many thanks to the PTA for funding and supporting with this

Horsham Children's Parade – This is set to take place on Sunday 6th July 2025. As with previous years, Arunside will be represented by 30 lucky applicants from Year 5. The theme this year is "A Celebration of Sussex." and we will be representing as "Fishbourne Roman Palace." It will be starting from the Drill Hall in Horsham at 11am, and heading through town to Horsham Park for 12-12.30pm. Families are welcome to join the general public to watch the parade.

Additionally We still need of a large number of Tetrapak cartons which are clean, dried and opened out by cutting down a seam to flatted out, like a rectangle, in preparation for making resources for the Horsham Parade. If you can, please could you support with this by collecting any Tetrapak cartons over the next half term and returning to school like the image to the left. We need at least 40-50 by early June and the orange/UHT milk sized ones would be the best size, although any would be useful! The children can bring these to class or return via the office for our collection

box. Thank you in advance.

Year 6 Leaver's Hoodies – Reminder to order these **before 11pm on Sunday 18th May**.

Early Help Drop-in Session – See invitation flyer below for a free session on Wednesday 21st May 2025.

Multi Sports Elite – Please see attached flyer, there are still some spaces available.

Arunside Announcements Week Commencing 5th May 2025

thermomix
by phillips

The Thermomix is a versatile kitchen appliance that combines multiple cooking functions, making it an excellent tool for culinary education. Here are some key benefits:

1. ****Enhanced Learning Experience****: The Thermomix allows students to engage in hands-on cooking lessons, fostering creativity and practical skills in the kitchen. It can make complex recipes accessible, encouraging students to experiment with different ingredients and cooking techniques.
2. ****Healthier Eating Habits****: With the ability to prepare fresh, healthy meals, the Thermomix can promote better nutrition among students. It can be utilized in home economics classes to teach students about balanced diets and healthy cooking practices.
3. ****Sustainability Education****: The Thermomix can support lessons on sustainability by reducing food waste through precise measurements and cooking methods. Students can learn about sourcing local ingredients and the importance of sustainability in food preparation.
4. ****Community Engagement****: The introduction of the Thermomix could facilitate community cooking events or workshops, bringing together students, parents, and local chefs. This can foster a sense of community while enhancing our school's profile.
5. ****Time Efficiency****: The multifunctionality of the Thermomix can save time in food preparation, allowing more time for instructional activities. This efficiency can be particularly beneficial during busy school events or cooking classes.

Arunside Announcements

Week Commencing 5th May 2025

What to Expect:

- See how a Thermomix can fit into your family life and give children the opportunity to cook safely at home.
- 1. Discover how the Thermomix can help you make healthy lifestyle choices with access to recipes tailored to all dietary needs and preferences.
- 2. A chance to ask questions and explore how Thermomix works with a guided demonstration.
- 3. Learn how the modes of the Thermomix can save you money on your weekly shopping bill and bring back the joy of cooking!
- 4. Opportunity for parents to have a discounted Thermomix or make a useful second income, fitting around family.

Join us at our school on Friday 9th May, from 1-3pm. Places are limited, so please register as soon as possible to reserve your space here: <https://www.eventbrite.co.uk/e/discover-thermomix-arunside-primary-school-horsham-tickets-1295574591479?aff=oddtcreator>
