# Curriculum

Here is our Yearly Overview.

- This is available on the website if you want to see what we get up to!
- Due to the timetable being so full, we teach some subjects in block units rather than every week.
- Forest School takes place in Autumn 1 and Summer 2.
- Expectations document

Our PE days until October half term are:

**Monday and Friday**

**PE**

Our PE days after October half term are:

**Tuesday and Wednesday**

The children are expected to bring their PE kits to school on a Monday to change at school.

They can leave them at school all week and take them home on Friday to be washed.

Long hair needs to be tied back – please ensure they have hairbands.  
Earrings either need to be removed or taped.

On Fridays, the children can bring plastic moulded boots (no metal studs please!)

It is also helpful for the children to have spare socks in case their feet get wet.

# Uniform and PE Kit

**Please make sure everything is named!**

- We have seen a huge increase across the school in the amount of lost property we have accumulated.
- Any unclaimed items, we always return if they are named or reuse as second hand uniform where we can.
- However, last year there was 4 bin bags per half term (24 bags in total) of unnamed clothing that was sent to recycling or binned.
- We also binned 127 plastic water bottles that nobody claimed and weren't named. These can't be recycled so they have ended up in landfill.

# Trips / Experiences

## Evacuee Day

- As part of our WW2 topic, the children will get the experience what it is like being evacuated.
- This will involve a rail safety workshop, an interview with an evacuee and the chance to be evacuated to Billingshurst on the train.
- This trip is free of charge but we do ask the children to dress up as evacuees. There are lots of low/no cost ideas for costumes online!
  - This will take place at the beginning of November.
  - More details to follow.

## Bikeability

- We are no longer taking part in Bikeability with school.
- This is due to a number of factors including cost and the disruption to the school day.
- There are still Bikeability courses available in the school holidays if you would like your child to take part.

# Homework

**Given out on Wednesdays and Due in on Mondays.**

- Homework will consist of a reading, maths and grammar task.
- Their homework will be paper tasks, completed in their homework books.
- Children have the option to come to homework club on a Friday if they would like support, need to access the computer or to just get their homework done.
- If they have not completed their homework, they will expected to attend a Tuesday homework club to get it done.
- We encourage independence from the children in asking for help as all the homework set is a consolidation of something we have already learned at school.

# SATs

Monday 11<sup>th</sup> May 2025 – Thursday 14<sup>th</sup> May 2025

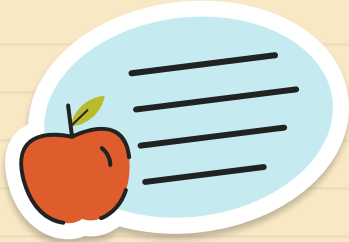

<b>Monday</b>	Grammar, Punctuation and Spelling Papers
<b>Tuesday</b>	Reading Paper
<b>Wednesday</b>	Arithmetic and Reasoning Paper
<b>Thursday</b>	Reasoning Paper

- We will be carrying out practises to assess progress throughout the year.
- These will inform support groups.
- Some children may be invited in for morning booster sessions.
- We want the children to feel as ready as possible without putting them under pressure.
- We will provide a special SATs breakfast during SATs week.

# Communication

- We try to build independence in preparation for Secondary School.
- If something is upsetting or worrying your child, please encourage them to come and speak to us in the first instance. We both have ways of communicating with us if they don't feel confident to speak to us face to face.
- If this doesn't resolve the issue, please come and speak to us directly at the end of the day or email the office which will be forwarded to us.
- It's really hard for us to deal with things we don't know about and much harder to deal with things after the event.

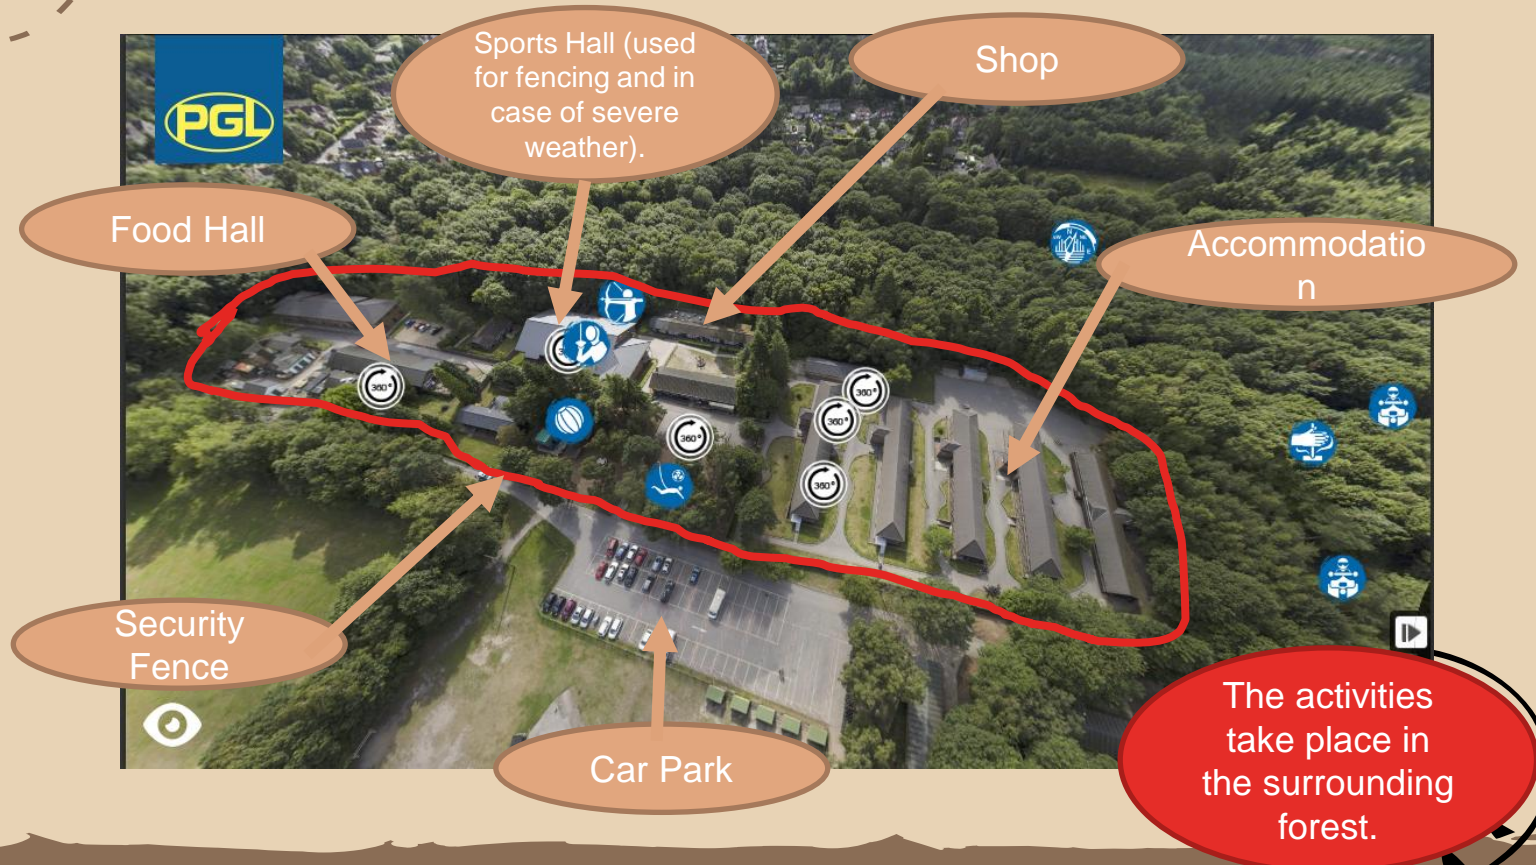

# **Year 6 Residential**

## **PGL Marchants Hill - Hindhead**

Monday 6<sup>th</sup> July – Friday 10<sup>th</sup> July 2026

# Marchants Hill

# Site Security

- Closed site with no public access.
- The gates in the security fence need a PGL staff member to open them with a fob – Children cannot get out unattended.
- Children are given a guided tour on arrival and fire instructions.
- First Aid Bay on site.
- Children will be supervised at all times.
- Wardens patrol the site during the night.

# Cabins

- Sleep 4-6
- All have en-suite facilities
- Teacher bedrooms are located amongst the children's room – we are never far away!
- We do consider the children's requests for who they share with. However, they will not be told until we get there.

# Food

- 3 meals a day.
- 2/3 choices of hot food available at each meal.
- All dietary requirements are catered for.
- Salad bar with fresh fruit and pastas available at all lunch and dinner times.
- Outstanding variety.

# Why should your child come on PGL?

Once in a  
lifetime  
adventure!

Pushes them out  
of their comfort  
zone – builds  
resilience!

Builds  
confidence  
and  
Independence.

Celebrate their  
time at Primary  
School with  
their friends.

Make new  
friends!

Develops their  
teamwork and  
communication  
skills.

# Payment Plan

- Thank you to those who voted.
- The most popular option was to still go for 5 days (4 nights).
- The total cost of the trip will be approximately £590.
- PGL is a completely optional trip.
- The Office will be in touch soon with a date for the deposit and details for a payment plan.

**THANK YOU FOR COMING!**
