Week Commencing
Monday 26th January 2026

Year 3 Drumming Workshop Tuesday 24th March 2026

This will be lead by our specialist music teacher Mr Gilmore and will be an opportunity for the children to share with their families what they've learnt about Djembe drumming. This will be 2.30-3pm and then pick up as usual from the playground at 3.20.

After School - Dodgeball Club

Our Friday PE provider, Sports Stars UK Ltd run an after school Dodgeball club and still have some spaces available. If you are interested in taking part, click on their sign-up link here: <https://www.sportsstarsuk.com/book-clubs/>

Parent Representatives

An advert has gone out this week seeking Parent Representative from each class. Please do contact the office to register your interest.

Bluebell Class Parent Consultations

Please ensure to book your parent consultation appointments with Mrs Wells for 2nd or 3rd of February if you have not already done so.

Consent Forms

Occasionally we offer free enrichment activities to some of our students; so far this term we have offered Maths workshops at Heron Way and cross country races at Christ's Hospital. These activities have limited numbers, and are therefore by invitation only.

If you do not wish for your child to attend these events it would be greatly appreciated if you could inform school as soon as possible, in order for us to offer another child the opportunity to benefit from the activity.

Amazon Wish List

Each class has been tasked with putting together a 'wish list' of items that the school budget cannot currently afford to buy. We have now compiled this list on Amazon and made it available for parents to access.

This enables parents to voluntarily purchase items from the list and get them delivered to school, knowing that they will directly be supporting the classes.

To access this list please click on the following link:

PTA Second Hand Uniform Sale

The PTA will be holding a uniform sale on Friday 30th January.

Eco-Logic League

MILK TOP MANIA!

Help your class win & support a great cause!

The Big Challenge

From **NOW until February 6th**, we are collecting as many plastic milk tops as we can! The **Eco-Logic League** will meet on February 6th to weigh all the collections. The class with most milk tops by **WEIGHT** will be crowned the champions!

The winning class will enjoy a delicious **BISCUIT CELEBRATION!**

How to Participate

It's easy to help out! Just follow these simple steps:

1. **RINSE THEM:** Please make sure every milk top is rinsed clean before bringing it in. This keeps our school smelling fresh! .
2. **COLLECT THEM:** Gather them in a bag or container.
3. **HAND THEM IN:** Give your clean milk tops to your **Eco-Logic League Representative** or your Class Teacher

Why are we doing this?

All milk tops collected are helping the **Friends of Water Search and Rescue**.

About the Charity: Friends of Water Search and Rescue are a charity whose purpose is "to prevent and protect life

and relieve the suffering and distress amongst persons endangered by flooding or natural hazards or to assist in water based rescue incidents or other emergency response situations through the provision of grants to assist in the operational or tactical support of any such incident."
