

February 2026

We hope you have all had a great half term holiday. I am sure the children are ready for another fun packed half term.

This half terms theme is *Fairy Tales*. We will share and enjoy many traditional Fairy Tales over the next five weeks.

We will continue to develop skills in all areas of the Early Years Curriculum, approaching our work through a mixture of structured tasks with adult and practical play-based activities.

Dates for diary:

- ⇒ **School Disco**—Friday 27th February-2.30-3 - Please come to school in Party clothes.
- ⇒ **World Book Day** — Thursday 5th March (Dress up as your favourite book character OR wear one clue so peers can guess. Also, see WBD whole school letter for other activities).
- ⇒ **Science Week**—w/c 9th March
- ⇒ **Parents Evening**—Tuesday 10th March and Thursday 12th March. Please sign up on MCAS app.

PE is on a THURSDAY. We will be **INSIDE or OUTSIDE**, depending on the weather. Please wear jogging bottoms.

Please continue to share any home experiences with us on **Evidence Me**. We love to talk to the children about what they have been doing.

Maths

Please continue to use the NUMBOTS website to play Maths games. Any issues with accessing it just let us know.

Reading /Phonics

Thank you to everyone who brings in their reading diary on a **Tuesday and Friday**, this ensures good communication between home and school, and regular reading.

Each week, in the communication book, we send home the Phonic sounds we have been learning. Please do practise reading and writing these at home. It really does make a difference.

If you have any questions or concerns about your child, please do not hesitate to speak to a member of the EYFS Team. Please remember that it is easier for us to talk at the end of the school day, rather than at the start.

Many thanks

Mrs Evans, Miss Thomson, Mrs Livanos, Mrs Turner, Mrs Evershed and Miss Gardner
