Give your child the gift of learning another language!

We have been giving the children of Arunside the opportunity to learn and improve French and Spanish languages in a very fun and successful way for the last 5 years now and have seen many go on to become excellent linguists at Secondary school. Why not give your child this wonderful opportunity at one of our after school language clubs.

This summer term we have some spaces available in our French club and we are accepting places on our waiting list for Spanish club so please get in touch if you are interested in your child joining us. Kidslingo is a multi award-winning language franchise, delivered by qualified Primary school teacher and language specialist Charmaine Davis who has been a teacher at Arunside in the past and teaches in other schools in the Horsham and surrounding area. Kidslingo Horsham and Haywards Heath offers quality, fun-filled French and Spanish classes taught through music, movement, singing, signs, story-telling, role play and so much more. In addition, all our classes are developed to be fully aligned to the National Curriculum Languages Programmes of Study complementing any existing language learning they receive at school. We also offer private and online classes that are just as popular as our ASCs.

Our classes, which are suitable for Years 1 to 6, start up again after the Easter holidays from Monday 13th April. £8 per child per week payable in advance for a half-term block (5, 6 or 7 weeks). Please use the following links to book: French – Tuesdays ASC
